

WELCOME TO A NEW PARTNERSHIP WITH HIGHGATE NEWTOWN COMMUNITY PARTNERS

Hello I am Sarah Hoyle, I am delighted to welcome this new partnership with HNCP, I have been the Manager of Kentish Town Community Centre for the last six years.

I am very lucky to run one of the most innovative community spaces in Camden. We are innovative because we believe in partnerships, testing out new ideas and using our space in a multitude of different ways.

We are really pleased to be working with Highgate Newtown Community Partners on a new Under 5's Stay and Play service which will start in January 2024. We are opening the service to help young families in our area develop and thrive.
